The Executive Director, SRFDCL, invites bids for the construction of works detailed in the table below from all bidders who are already registered with Corporation, Govt. of Gujarat or other state Government / Government of India or State / Central Government undertakings. **Bidders are advised to note the minimum qualification criteria specified in the clause 4 of the Instruction to Bidders to qualify for the award of the contract.** The bidders may submit bids for the following works.

Sr. No.	Name of Work	Estimated Value of Work (Rs.)	Bid Security (Rs.)	Cost of Document (Rs.)	Period of Completion
1	2	3	4	5	6
1	SRFD PHASE 1 - CONSTRUCTION OF WALL CLIMBING NEAR SARDAR BRIDGE ON WEST BANK OF RIVER SABARMATI	58,63,373.00 (Excluding GST)	Rs. 58,637.00 1% (One Percent) of the Estimated Cost	2400.00	3 Months

- Bids must be accompanied by security of the amount specified for the work in the table, payable at Ahmedabad and drawn in favour of The Executive Director, Sabarmati River Front Development Corporation Ltd. Bid security will have to be in any one of the forms as specified in the bidding document and shall have to be valid for 45 days beyond the validity of the bid.
- Only Technical Bids must be delivered to office of Sabarmati River Front Development Corporation Limited at above mentioned address from **16:00 hours on 03-02-2026 to 17:30 Hrs on 23-02-2026** and the technical bid will be opened on the same day at **17:45 hours**, in the presence of the bidders of who wish to attend. If the office happens to be closed on the date of receipt of the bids as specified, the bids will be received and opened on the next working day at the same time and venue.
- Clarification, if any are required, regarding the bidding document can be obtained from the Consultant on any working day.
- Other details can be seen in the bidding documents.
- The tender fees and bid security (EMD) for the tender document shall be submitted in separate envelope at the time of physical submission of tender. The tender fee shall be in form of Demand Draft only and EMD shall be inform of BG/FDR/DD of bank as per circular no. 06 of Ahmedabad Municipal Corporation (Ahmedabad Branch Only).**

6. Bank guarantee/FDR/DD from a bank as per circular No. 06 of Ahmedabad Municipal Corporation (Ahmedabad Branch Only) of amount equal to 5% amount of contract sum shall be provided as performance security.
7. This *Invitation for Bid* is open to all Bidders who have past experience of similar works.
8. The bidder should have to make declaration that "I/We hereby declare that my/our near relative is not working in SRFDCL/AMC on related to this work Construction/Finance and Administration on date of tender submission."

1.0 Bid Opening

- 1.1 The "Technical Bid" shall be opened. The amount, from and validity of the bid security furnished with each bid will be announced. If the bid security furnished does not conform to the amount and validity period as specified in the Invitation for Bid, and has not been furnished in the form specified in Clause 1, the remaining technical bid and the sealed financial bid will be returned to the bidder terming it as non-responsive.

2.0 Process to be Confidential

- 2.1 Information relating to the examination, clarification, evaluation, qualification and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by a Bidder to influence the Employer's processing of Bids or award decisions may result in the rejection of his Bid.

3.0 Clarification of Financial Bids

- 3.1 To assist in the examination, evaluation, and comparison of Bids, the Employer may, at his discretion, ask any Bidder for clarification of his Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or fax or e-mail, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Bids in accordance with Clause 4.

4.0 Correction of Errors

- 4.1 "Financial Bids" determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
 - a) Where there is a discrepancy between the rates in figures and in words, the rate in words will govern.
- 4.2 The amount stated in the "Financial Bid" will be corrected by the Employer in accordance with the above procedure and the bid amount adjusted with the concurrence of the Bidder in the following manner:
 - a) If the Bid price increases as a result of these corrections, the amount as stated in the

bid will be the 'bid price' and the increase will be treated as rebate.

- b) If the bid price decreases as a result of the corrections, the decreased amount will be treated as the 'bid price'

5.0 Examination of Bids and Determination of Responsiveness

5.1 During the detailed evaluation of 'Technical Bids', the Employer will determine whether each bid (a) meets the eligibility/qualification criteria defined in Clauses 7 & B-1; (b) has been properly signed **and in prescribe format**; (c) is accompanied by required securities and; (d) is substantially responsive to the requirements of the 'Bidding Documents'. During the detailed evaluation of the "Financial Bid", the responsiveness of the bids will be further determined with respect to the remaining bid conditions, i.e., priced bill of quantities, technical specifications, and drawings.

5.2 If a "Financial Bid" is not substantially responsive, it will be rejected by the Employer and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

6.0 B. Each bidder should further demonstrate:

- (a) The bidders should, however, undertake their own studies and furnish with their Bid, a detailed construction planning and methodology supported with layout and necessary drawings and calculations to allow the employer to review their proposals. The numbers, types and capacities of each plant/equipment shall be shown in the proposals along with the cycle time for each operation for the given production capacity to match the requirements.
- (b) Bank Solvency as per Circular No. 06 of Ahmedabad Municipal Corporation of **Rs. 17.60 lacs**.
- (c) To qualify for contracts made up of this and other contracts for which bids are invited in the IFB, the bidder must demonstrate having experience and resources sufficient to meet the aggregate of the qualifying criteria for the individual contracts.

7.0 Retention

- a. The Employer shall retain from each payment against Interim Payment Certificate issued by the Engineer to the Contractor 5% amount of the sum of value of work done + value of variations as agreed for payment + certified value of extra works.
- b. On Completion of the whole of the Works half (2.5% of the Contract sum) of the total amount retained (5% of the Contract Sum) will be repaid to the Contractor and remaining (2.5% of the Contract sum) on completion of the Defects Liability Period and after the Engineer has certified that all Defects notified by the Engineer to the Contractor before the end of this period have been corrected.

8.0 Defect Liability Period

8.1 The Defects Liability Period is 5 Years from the date of completion.

8.2 The Contractor shall be fully responsible for supply, installation, testing, commissioning, operation, maintenance, safety, stability, and satisfactory performance, safety, and durability of the Wall Climbing Works, including but not limited to wall panels, climbing holds, anchors, fasteners, structural connections, surface finishes, coatings, and all associated accessories.

8.3 During this period, contractor shall at his own cost and risk:

- a. Maintain the Wall Climbing Works in safe and serviceable condition, including routine inspection, cleaning, tightening, alignment, replacement of worn-out components, and preventive maintenance as per manufacturer's recommendations and applicable safety standards.
- b. Promptly rectify, repair, or replace any defects, failures, damages, loosening, deterioration, or deficiencies arising due to defective materials, workmanship, improper installation, corrosion, cracking, debonding, abnormal wear, design inadequacy (if any), non-compliance with specifications, safety norms, or statutory requirements.

8.4 The Start Date shall be date of issue of the Letter of Notice to Proceed with the Work.

8.5 The period of work shall **3 (THREE)** months after the start date.

9.0 Liquidated damages

Rate of deduction for Liquidated damages for delay in completion of works	10% of cost of work done amount after expiry of time for the month considered or 0.25% per week or part thereof of contract value whichever is higher.
Maximum amount of Liquidated damages for delay in completion of works.	Liquidated damages for delay at completion of work will be 10% of the cost of remaining amount of work after original or extended time limit.

10.0 Start date of the work shall be date of issue of the Letter of Notice to Proceed with the Work.

11.0 The Bid prices are inclusive of all taxes excluding GST applicable.

12.0 Insurance

12.1 The Contractor shall provide, in the joint names of the Employer and the Contractor, insurance cover from the Commencement Date to the end of the Defects Liability Period, in the amounts and deductibles as stated below and the contract data, for the following.

- (a) Loss of or damage to the Works, Plant and Materials. (Minimum full replacement costs and additional 15% costs).
- (b) Loss of or damage to Contractors Equipment and other things at site (minimum full replacement costs).
- (c) Loss of or damage of property and personnel (other than the Works, Plant, Materials and Equipment in connection with the Contract); i.e., Third Party Insurance; and

(d) Personal injury or death. (i.e., Workmen compensation policy)

- 12.2** Policies and certificates for insurance shall be delivered by the Contractor to the Engineer for the Engineer's approval before the Commencement Date. All such insurance policies shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.
- 12.3** No work (Temporary or Permanent) shall be permitted at site in absence of proper insurance policies and up to date payment of premium.
- 12.4** The responsibility of any amounts not insured or not recovered from the insurer shall be borne by the Contractor in accordance with their responsibilities as defined in these clauses.
- 12.5** The Employer shall indemnify the Contractor against all proceedings, claims, damages, costs, charges, expenses in respect of the matters for which the Employer is responsible.
- 12.6** The insurance policy shall include a cross-liability clause such that the insurance shall apply to the Contractor and the Employer as separate insured.
- 12.7** The minimum amount of insurance shall be as specified in these clauses and the Contract data. In the event of mismatch insurance shall be for higher amount.
- 12.8** The Contractor shall keep notified the insurer of changes in the nature, extent or programme for the execution of the works and ensure the adequacy of the insurances at all the times in accordance with the terms of the contract.
- 12.9** If contractor fails to provide car policy or workman compensation policy within 21 days after issuance of Work Order, SRFDCL will retain Rs. 25,000.00 or prorate amount of policy for period up to which policy is not available whichever is higher.
- 13.0 Contractor's Risks**
- 13.1** All risks of loss or damage to physical property and of personal injury, death which arise during and in consequence of the performance of the Contract until Defect Liability Period including 3rd party insurance, are the responsibility of the Contractor. Contractor shall rectify damages to works, loss of materials, property, plant and machinery, life etc. at his own costs.
- 13.2** The contractor shall assume all liability, financial or otherwise in connection with his contract and shall protect and indemnify the Employer from any and all damages and claims that may arise on any account. The contractor shall indemnify the Owner against all claims in respect of patent rights, royalties, damages to adjacent buildings, roads or members of public in course of execution of work or any other reason whatsoever and shall himself defend all actions arising from such claims and shall keep the Owner saved harmless and indemnified in all respect from such actions, costs and expenses. The contractor shall be liable for any loss or damage to the Works occasioned by him in the course of operations carried out by him. All such damage to works will be rectified by contractor at his own cost. The contractor should preserve and protect the embankment construction already carried out by him during the entire course of work as well as during rainy season from flood. Any such damage to works will be rectified by contractor at his risk and cost.
