9	Definition	"Electric Kick Scooter" or "E-Scooter" Any battery-operated vehicle which has power less than 250W and speed limit not more than 25kmph as per RTO rules and guidelines. Such electric scooter is exempted from RTO and these electric scooters don't require a license in India. The weight of electric kick scooters may be around 220 lbs. (100 kg)	Query: Sir, the definition mentions "Electric Kick Scooter" and "E-Scooter" both where in the definition of "E-Scooter" is a broader subject where the definition of <u>E-Scooter is differing from that as mentioned in the RFP document, as it becomes a generalized term for any battery-operated vehicle with not-limited power and speed capacities (Ex. Yo Bikes, TVS iCube, Ather, Ola). It has to be only "Electric Kick Scooter" with the exact meaning - A kick scooter is a human + battery powered street vehicle with a handlebar, deck, and wheels propelled by a rider pushing off the ground with their leg to switch to battery powered wheels. Hence, clarification needed to whether this RFP is for "E-Scooters" or "Electric Kick Scooters"</u>	The word "E-Scooter" is removed. Only Electric Kick Scooter (Speed should not be more than 25 kmph) is allowed as per RTO norms.
12	8 Qualification Criteria	The bidder shall meet both Financial and Technical Qualifications to be considered qualified. Financial Qualifications: The bidder should have Average Annual Turnover of Rs. 40 Lakh from the business of electric kick scooter sharing / recreational activities	Query: The entity having an experience in "recreational activities" is a broader meaning which contradicts the exact meaning of RFP of electric kick scooters, this means an entity with no experience as electric kick scooter operator, but has the required turnover, but with an experience in boating / skiing / bungy jumping / fair rides, etc can participate. But a start-up having the exact experience as an	RFP Terms & Conditions Prevails.

Documentary Evidence: (1) Copy of Audited Annual Reports from 2017-18 to 2019-20 (2) Statement from the statutory auditor as prescribed in the Annexure -3 The experience details shall have to be provided as per the format prescribed in Annexure 4 along with supporting documents mentioned above.	premises but does not have the required turnover cannot participate. OR as a result to which, we being the India's first and only OEM cum electric kick scooter assembler can possibly be overturned by a local trader who can import the products and operate the same without technical feasibility. Hence, clarification is needed on the fair and equal opportunities to be implemented while participating in the bid for start-ups followed by a clear and transparent bidding process.	
12	7 Eligibility of the bidders	A company incorporated as per Indian Companies Act 1956 / 2013 (Copy of Memorandum and Article of the association of the bidder should be submitted) or Partnership firm registered under The Partnership Act (Copy of Partnership Deed should be submitted) or a registered proprietary firm (Registration copy of GST / Service Tax, EPF registration, Shop Establishment registration certificate etc.). Joint venture will not be allowed.	Give the exemption for "Average Annual Turnover" or allow Joint Venture participations.	"Joint Venture" is allowed. Only one more Partner other than the Lead Partner is allowed and may participate in the tender as Joint Venture. Lead Partner and other partner shall jointly and severally be bound for the successful performance of the Contract and shall be fully responsible in accordance with the Contract.
