Message from the MD's Desk

Shri Lochan Sehra, IAS
Managing Director

Dear All,

It is my pleasure to inform that State Level Environment Impact Assessment Authority (SEIAA), Gujarat has granted Environment Clearance to Sabarmati Riverfront Development (SRFD) Project for the Phase II development from Acher – Hansol to Indira Bridge in the meeting dated 28.01.2022. Phase II development work for the 1st stretch of 1.25 k.m. from Dafnala to Camp Sadar Bazar (East) is on a fast track development. Phase II development work of Diaphragm Wall & Lower level Walkway from proposed Barrage cum Bridge to Indira Bridge on East bank for the 2nd stretch of 3.98 k.m. would be awarded shortly.

I am happy to share that, SRFDCL has received 5 Expression of Interests for the Conceptual Design of the Proposed Barrage cum Bridge from Torrent Power to Camp Sadar bazar. Presentations of the same to be held shortly.

Furthermore, SRFDCL had initiated Online Ticketing for some of its Parks & Gardens having a Cloud based Ticket booking system. It is with pleasure I would like to share that now all our Parks & Gardens are having Online Ticket booking facility. Online ticketing module has provided ease and convenience to the People while they visit our Parks & Gardens.

The work of the iconic Pedestrian Bridge has reached its final stage. Soon, this one of its kind Foot-Over Bridge in the Country will be open to all connecting East and West part of Sabarmati Riverfront. SRFDCL has also issued couple of Request for Proposal's/Tenders providing new opportunities to the People and varied business segments.

I am pleased to share an update on the SRFD Project. I hope the same would provide you an overview of various developments happening at this Project.

Executive Director, SRFDCL gave a detailed presentation on the SRFD Project to the delegation. They were briefed on the various developments undertaken or under development at the SRFD Project area like Pedestrian Bridge, Multi Level Car Park, Sports Park, all Parks & Gardens including Biodiversity Park and Phase II development.

Moreover, the delegation had a site visit of the SRFD Project area to see the developments undertaken. They had even visited reputed Government of Gujarat Projects and Companies to understand their development work.

Pedestrian Bridge

On the verge of Completion

The **Iconic Pedestrian Bridge** is at the verge of its completion. The design of this bridge has taken inspiration from the hues of Kites and this bridge will connect East and West side of the River. People will relish the majestic view while walking on the Bridge. This one of its kind foot-over bridge will itself become a destination for the People to visit.

The main structure of this Engineering Marvel is executed. Its design and its vibrant colors will be an exceptional feature of this quintessential Bridge. The task of Tensile Fabric, SS Railing with Glass and Granite Flooring work is under development. Base work of Wooden Flooring is also underway.

Online Booking & Payment for all Parks & Gardens at SRFD Project

The SRFD Project has provided Ahmedabad with a meaningful waterfront environment and has redefined the identity of Ahmedabad around the River. The Project has reconnected the City with the River and have created various Parks & Gardens at different locations in the Project area. We had started Online Booking & Payment Process for Event Centre, Vallabh Sadan Plots, Amphitheatre and also for Film Shooting. The Online Process has proved to be more People friendly and provides lot of convenience and has simplified the Booking & Payment process.

Furthermore, SRFD Project has started the Online Ticket Booking & Payment process for all its Parks & Gardens. To offer seamless booking experience to the Visitors of all the Parks & Gardens, SRFDCL has developed Cloud based Ticketing Software with Online Ticket Booking Portal and Android Mobile Application for Ticket Validation for all its Parks & Gardens.

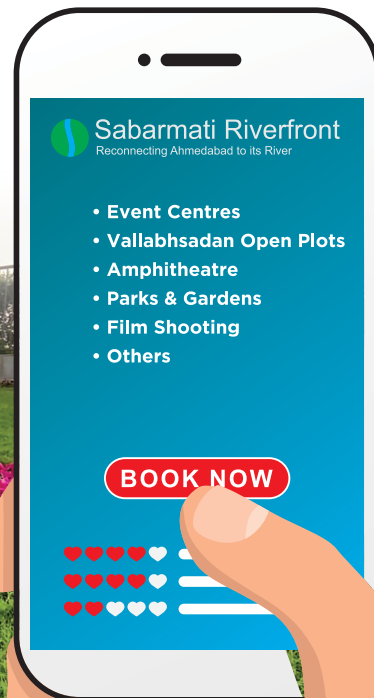

Now, there are no long queue at the Ticket window of the Parks as Visitors can very well book the Tickets from the comfort of their house by just visiting our website www.sabarmatiriverfront.com or www.riverfrontparktickets.com or can even scan the QR Code while entering any of the Parks. This Online Booking feature provides all the required information like different Parks available, Ticket Rates, Park Timing, Closing Time and any other necessary guidelines.

This process enables SRFD Project with complete transparency and real time data of number of visitors in the Park, category of visitors etc.
